DETAILED ACTION

Response to Amendment

The Amendment filed on 2/26/2010, has been entered and acknowledged by the Examiner.

Cancellation of claims 1-10 has been entered.

New claims 11-21 have been added.

Claim Objections

Claims 11-21 are objected to because of the following informalities:

In claims 11, 12, 15, and 16, replace "first of magnetic" with --first magnetic--.

In claims 11, 12, 15, and 16, replace "second of magnetic" with --second magnetic--.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 11-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Specifically, in independent claims 11 and 15 the phrase, "an insulated bakelite frame" is considered indefinite because 'bakelite' is a trademark. See MPEP § 2173.05(u). Claims 12-14 and 16-21 are rejected due to their dependency from claims 11 and 15.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
